Thank God for the foundation of families in and around us because of His mercies we are not consumed.

Father, have mercy to all families in South Africa, if any way we ignore your guidance and assistance, please forgive us.

Father, destroy anything from the foundation up, that may corrupt the function of families in South Africa.

Father, recover love, unity, and forgiveness in families for your glory.

Father, in Your mercy restore the destinies of youth and children under the yoke of captivity for your name's sake.

Father, arise and scatter any evil agenda to cut short the lives of our children and youth for your glory.

Father, restore the authority and strength in the lives of parents and guardians to stand bold in you that they shall fight and win the battles for the good future of children and youth in South Africa.

Father, recover every loss of communication between parents, guardians to the youth and children, let Your wind blow and establish the spirit of forbearance for one another for your name's sake.

Father, let Your spirit move and restore the lost glory of your presence in families and come heal our land South Africa.

Father, You are the giver of seed and bread, let your wind blow in a supernatural way provide for families at LBC and in South Africa for your glory.
